

## **Carpenter**

San Francisco Playhouse is the second-largest nonprofit theatre company in San Francisco. Having grown from storefront to 199-seat theatre in just 18 years, we are powered by a team of energetic and innovative theatre lovers. Founded in 2003 as a 501(c)3 not-for-profit theatre company, our programming includes a six-play mainstage season and a three-play Sandbox Series of world premieres, plus a Rising Star Education Program for high school students. Refer to our website, [sfplayhouse.org](http://sfplayhouse.org), for more information on our company.

We are seeking an experienced professional to join our dynamic, agile production staff. Reporting directly to the Technical Director, the carpenter works closely with Set designers to realize all scenic design elements. The carpenter collaborates with fellow production personnel to ensure the smooth, day-to-day operation of all production departments.
